

## Rewarding Excellence in the Game of Golf

### 18) CLASSIEST CLOTHING LINE OF 2009 - The Greg Norman Collection

I always root for "The Shark" to be at the top of the leader board not only to watch him play, but to also see the cool apparel he's wearing. The 2009 GNC Fall Line features everything from the classic polo shirt to the classy fashion argyle vest he made famous at this year's British Open. Plus the accessories line including belts, pants, and pullovers are as stylish as Norman himself. For more info on Greg's plan for world domination, visit [www.shark.com](http://www.shark.com).
